God created every person with a desire for meaning and purpose. Many of us wonder, “How we live the purposeful life God intends for each of us?” This 6-week churchwide series is designed to help us consider that big question!

The Damascus road experience was not the only event that sent the apostle Paul on his quest meaning. His entire life—his traditions, education, travels, and challenges—shaped him for ministry. After years of preparation through prayer and discernment, Paul traveled many miles to spread the Good News. When he started, he had no idea how God’s plan for him would take shape. This series will help us unpack our life alongside Paul’s life to find our purpose and passion.

Each week we will read the book and watch the DVD filmed in Turkey, Israel, and Greece to discuss how Paul’s life resembles and differs from our own. We’ll also rediscover the truths that we are wonderfully made, created for purpose, and equipped to live a life of significance. Despite the adversities and detours we will encounter along the way, we can rely on God.

Join us as we travel together to find our purpose and meaning in life.
